ABOUT ROTARY

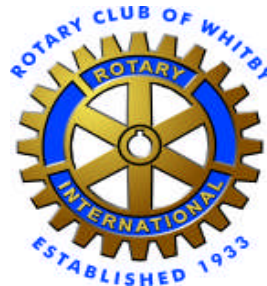

The Rotary Club of Whitby

The Rotary Club of Whitby is a member of a service organization known as Rotary International, an organization consisting of over 1.2 million Rotarians in over 200 countries and geographical areas around the world.

Rotary International, itself, began on February 5th, 1905 and the Whitby club was chartered on May 2nd, 1933.

The Whitby Club has had an active career of fund raising and providing service to our local community as well as to the international community.

Fundraising can be Fun!

- Annual Golf Tournament - enjoy a round of golf and have dinner and network with friends, new and old. This event raised over \$21,000.00 last year;
- YUK YUKS Night provided an evening of fun and fellowship, as well as a couple of hours of YUK YUKS comedy. This, coupled with a Vegas style gaming table, netted the Club \$4,369.07.

Service Projects of the Club:

- Whitby's new Public Library: Contributed \$100,000 dollars to the construction of Whitby's new main library;

Howard Hospital in Zimbabwe:

The Club raised funds:

- for the purchase of a jeep and fuel (on an ongoing basis) for outreach programs of the hospital; and
- to purchase bicycles for "care givers" at the hospital to facilitate outreach programs of the hospital. This project includes training of people to maintain the bicycles as well as the provisions of spare parts.

- Rotary Day of Giving – members volunteer to do yard work and general maintenance for seniors and others who are unable to do the work themselves.

The Department of Social Services provides a list of citizens who could benefit from this project.

This is another "fun day" for all involved. Several "work parties" carry out the various tasks and, when the work is done, all meet for a social time, which, once again, provides an opportunity to mix, mingle and network.

Learn more about Rotary

Join us at one of our regular weekly meetings at the Whitby Public Library Tuesday mornings at 7:00 am. You will be most welcome! **For more information go to:**
